JOGS Show Guide

Advertising in the Fall JOGS Tucson Gem and Jewelry Show Guide is a powerful way to attract new buyers and maintain contact with them throughout the year. This comprehensive, full-color booklet, sized at 8.5" x 5.5", features advertisements from JOGS exhibitors and affiliated companies. With a circulation of 10,000 copies during the Fall Showcase, it is distributed throughout the JOGS Gem and Jewelry Show.

The guide not only reminds your established clients of your booth location but also draws in new buyers searching for products. It includes essential information for attendees, such as show dates and hours, JOGS show policies, amenities, floor plans, and an alphabetical list of every exhibitor at the Fall Tucson Gem Show.

One of the key benefits of advertising in the guide is that buyers keep it all year long. They have access to the contact information of exhibitors, allowing them to make orders and stay in touch throughout the year.

Additionally, the guide will be published and available online after the show on the www.jogsshow.com website, making it even easier for buyers to find and connect with exhibitors.

For new JOGS Show exhibitors, this guide is an invaluable tool to promote your business. It showcases your location and products, and helps attract new buyers with photos of your merchandise and designs.
